

BLAST OFF™

Powdered Concrete Cleaner

ITEM# **FCBLASTOFF**

BLAST OFF™
 Powdered Concrete Cleaner

BLAST OFF™ is fortified with Formula M. This unique formula aggressively attacks and emulsifies dirt, oil and grease on concrete floors. Energized with cleaning crystals that change colors from **ORANGE TO YELLOW/GREEN** when activated by water. Dissolves completely and rinses easily. Ideally suited for cleaning concrete floors in warehouses, automobile repair shops, light / heavy manufacturing facilities or just anywhere you need to clean concrete flooring.

- High alkalinity for tough stains
- Incorporates many powder blends for superior cleaning
- Low foam
- Rinses freely without any residue

DIRECTIONS FOR USE:

Before using, read Material Safety Data Sheet for this material.

Sweep concrete floor area with a broom to remove and pick up loose debris. Place wet floor signs around area to be cleaned.

1. Flush concrete area with water either by garden hose or mop bucket filled with water.
2. Sprinkle or spread 1 – 2 lbs. of BLAST OFF uniformly for each 100– 500 square feet of concrete surface.
3. Allow it to soak on surface for at least 5 minutes.
4. Scrub the area with a deck brush or stiff push broom to help break up and emulsify the soil.
5. Rinse the floor thoroughly with water and squeegee or mop clean.
6. If available, the use of an auto-scrubber with appropriate brushes can also be used to help speed up the scrub and rinse process.

BE SURE TO CLOSE BUCKET LID EACH TIME AFTER USE

TECHNICAL PROPERTIES

Form.....Powder
 Color.....White/Tan
 pH 1% Solution.....13.0+
 Chlorine.....None
 Solvents.....Yes
 Alkalinity.....38.5% Na₂O
 Phosphates.....3.4% P
 USDA.....A2
 Foam.....Low
 Biodegradable.....Organic Ingredients are biodegradable

AVAILABLE SIZES

✓ **50 Pound Pail**
 100% Recyclable
